

Temperature
5°C - 10°C

Model		SAR-263V(E)		
Classification		Refrigerated display case		
Dimensions	Overall Dimensions	Width	Depth	Height
	Inner Dimensions	750	600	1495
Effective Volume		173 L		
Overall Material		Resin coated Steel Plate		
Inner Material		Resin coated Steel Plate		
Insulation		Foamed-in-place urethane		
Shelves		4 Glass step + Sheet metal cover plate		
Compressor		Obturation Completed Outer Power 750W		
Refrigerant		R404A		
Evaporator		Fin Type, Forced Circulation		
Fan Motors		Cooling Fan Motor Single-Phase 220V Condensing Fan Motor Single-Phase 220V		
Temperature Meter		Auto Electronic Thermostat		
Condenser		Fin Type, Forced Circulation Of Cold Air		
Defrost		Timer-controlled natural defrosting with the compressor stopper		
Performance		Actual Load Temperature 5 -10°C (adjustable) Ambient wind speed below 0.2m/s Avoiding Straight Shining From Sunlight		
Room temperature		27°C 70%		
Power Source		Single-Phase 220V		
Frequency		50 Hz		
Power Consumption	Running	537.9 W		
	Defrost			
Electric Current	Running	4.178 A		
	Defrost			
Running Efficiency		85%		
Electrical characteristics of the environment		27°C 70%		
Illumination	Fluorescent Lamp	T8		
	Power Consumption	18 W		
	Current	0.3 A		
Output Of Heat		2010W		
Accessories		Price tag 4		
Weight		136 kg
